Research Proposal Template for CSC applications

The research proposal length is 1-2 pages.

**Proposed Topic:** State the title of your research proposal.

**Introduction:** First, briefly discuss the importance of the question you plan to do your research on. Then, clearly formulate your suggested idea or approach.

**Literature Review:** Briefly review relevant literature on this topic.

**Research Question and Methodology:** Explain your research idea in more details. Outline your suggested methodology.

**Expected Timeline and Outcomes:** Briefly outline your expected timeline and outcomes.

**References:** Provide references of the cited articles.
